

Is Santa Ana Interested In Securing a \$400,000 Yearly Payroll?

This is propaganda—the kind of propaganda civic groups like to talk about.

There will be enough eligible voters in the Municipal Bowl at kick-off time tonight to provide Santa Ana with an entirely new junior college plant. We say this in view of the fact that in 1938 a total of 4003 voters were in favor of the college bond issue, only to lose by 269 votes.

Our needs affect every person in Santa Ana, whether they are merchants, parents, employers, or employees.

For years civic bodies have attempted to bring increased payrolls into the city. Various airport projects were abandoned; several large manufacturing companies which could have brought funds to Santa Ana, located elsewhere. Yet all the time we overlook a new jaysee plant that would put more than \$400,000 in local trade channels each year!

Enrollment at jaysee reached 1100 this week.

A survey among many of the 985 Santa Ana and Orange county students who attend the college sets the average cost of living for a student at a rock bottom minimum of \$15 a month, while 115 out-of-state students who reside here spend an estimated \$30 monthly. These individual expenditures include the cost of books, clothes, food, entertainment, and automobile transportation—and the money all goes directly to business.

Multiply these figures on a nine-month basis and the \$15 and \$30 expense money per student becomes \$164,000. Then add another \$50,000 spent by the faculty. That is more than local organizations had hoped to secure in payrolls from several of the proposed concerns that were to be established here in years gone by. They didn't get those firms—but they do get the \$214,000 from junior college students!

We are optimistic enough to think that a new plant similar to the one recently construct-

ed by Chaffey, our conference opponents tonight, would attract many new students and double the enrollment within several years. That would mean twice \$214,000—or \$428,000—and it would be spent right here each and every year.

In view of these figures, based on minimum expenditures, isn't there ONE civic minded group in Santa Ana that is willing to start the campaign for a new junior college plant?

We believe that the junior college is getting to be a real business—BIG BUSINESS for the city if you please—and we feel that \$428,000 a year is worth seeking. Moreover, we feel that it behooves service clubs to help us go after that business.

What do you think?

DONS, CHAFFEY IN GAME TONIGHT!

Receipts May Set Record Football Income Above Last Year

Pigskin gate receipts may reach a new four game high tonight following the game here with Chaffey this evening. Within two more games, the college should easily pass last year's \$7798 mark for 11 games.

Football income today totalled \$4477.55 following the addition of \$2253.85 which was netted from the Pasadena game on Friday, Oct. 4 here.

Figures released for the other two games showed a return of \$1012 for the opening game of the season with Loyola, while the game with the Santa Monica Corsairs brought \$1211.70 into the Don treasury.

Injuries Claim Four Regulars As Santa Ana Seeks to Hurdle First 1940 Conference Foe

By VIC HEIM, Sports Editor

Blasting off the lid of what promises to be a great race for pigskin supremacy and seeking their eighth win over their opponents in 13 years of rivalry, Santa Ana's Dons meet Chaffey's Panthers, 1939 champs, tonight at 8 p.m. in the Municipal bowl.

Chief of Coach Bill Cook's worries are the noticeable absences of Dick Gunther, sophomore end, Ed Freitas, best blocking back on the squad, and Whitey Rogge, mail-packing half. Gunther is recovering from an elbow injury, while Freitas has a cracked bone in his foot, and Rogge is out with several cracked ribs.

INJURES KNEE

It was also improbable that Gene Hamaker, all-around back-field man, would see action due to a reinjured knee, which kept him on the bench a large part of last season.

Offsetting these handicaps, Linecoach John Ward and the head Don mentor are joyed by the return of Bob Ward, halfback, Dick Chase, another back, and Bill Joseph, end, all of whom have been on the sick list.

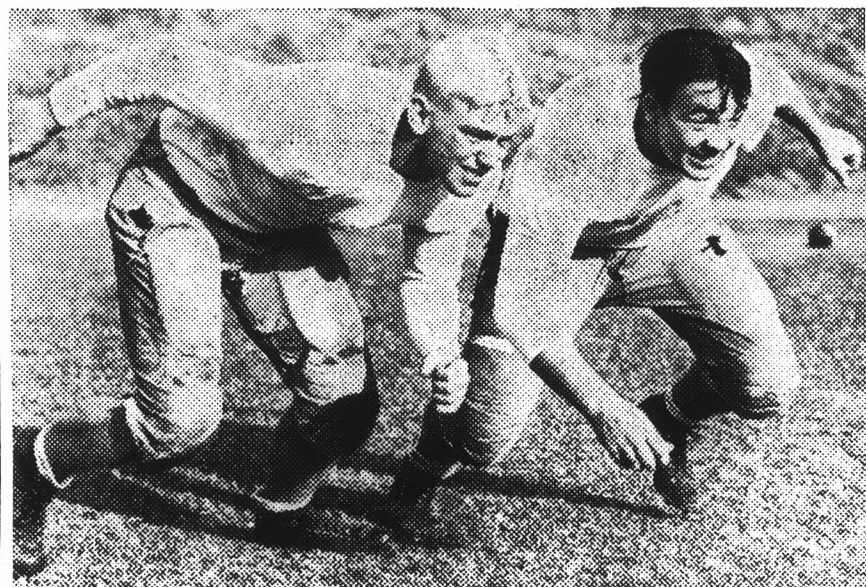

Although the Panthers, who were riddled by graduation last (Continued on page 3)

Uncle Sam Tags Eleven Gridders

Uncle Sam's defense program had claimed registration of 11 football players today in addition to approximately 70 other local students who registered for conscription Wednesday. Six of the 11 gridders are regulars.

Football players who registered include Dick Chase, 22; Gib Bristow, 21; Bob Bryant, 22; Jim Crowther, 21; George Henry, 21; Paul Ledbetter, 22; Dwight Nott, 22; Tony Podobnik, 21; Whitey Rogge, 23; Paul Sedar, 22; and Ferris Wall, 21.

In a survey made recently 12 per cent of the Associated Students are 22 years of age or over. This would mean that about 80 men in the college are liable to the draft.

Cookmen Woo Lady Luck With Various, Odd Superstitions

To prevent fate from giving them the evil eye, Bill Cook's grid eleven will enter tonight's encounter with Chaffey barricaded with jinx alleviators. Far from banking on anything as trite as rabbit feet or four leaf clovers, the players woo Lady Luck in a much more subtle manner.

Co-captain Paul Sedar depends greatly on a tan cordoroy hat, which he wears to each game, to bring the Dons out on top, and considers it bad luck if he forgets his topper at home. Reason for this belief is that the local squad has won four straight this season and Sedar has worn the hat each time.

Ralph Barnes, halfback, takes great pains in putting on his right shoe before his left. He considers it a bad omen, if he should unthinkingly slip on his left shoe first.

Probably the queerest of ideas is held by End Bob Schildmeyer, who takes a piece of gum and carefully pastes it on one of the cleats of his grid shoes, just previous to the kick-off.

Coaches Bill Cook and John Ward, themselves, are not exempt from this wooing of Mistress Luck and both wear the same jackets at each game, providing the team wins. The former last year discarded a "lucky" penny, which he had carried for the past several seasons, after losing to Chaffey on Nov. 3.

Outstanding Santa Ana Booster Is Los Angeles Business Man

By BILL DAVIS

Starting his fifth season as the Don's most ardent fan and booster is husky Tom Salisbury, who has been seen at practically every Santa Ana jaysee grid match since the '36 season. Salisbury is considered a coach and friend by every player on the squad.

Hornets-Bengals Share Spotlight

While Santa Ana's Dons are battling the Chaffey Panthers tonight, action is taking place on the gridirons of other conference colleges. Stated as the battle of the evening is the contest between undefeated-untied Fullerton and the Riverside Bengals, who have tied two and won one out. Only other game to be played in tonight's round is the San Bernardino-Pomona tilt, which will be held on the former's field.

Santa Ana Tangles With 1939 Eastern Champs

(Continued from page 1)
June lost such stars as Hal Finney and George Leyrer, have won only one game so far this year (from Ventura) they will present a formidable line and a shifty backfield in attempting to duplicate their 7-6 pasting of the Dons last year.

That game won the conference championship for Coach Burt Heiser's eleven.

Topping Heiser's backfield material is one Curtis Clemmer, quarterback, who has been leading the Panthers this year. Fullback Dave Alcala will augment the Chaffey general in attempting to advance the ball.

DON LINEUP
Meantime, Cook and Ward, both of whom favor the unit system of substitution (substituting

He was raised in the Newport-Balboa area and first started attending the games when Blanchard Beatty came here to assist Bill Cook. Previous to that he had followed Beatty at USC and also at Oceanside, where "Blanch" coached.

SAN DIEGO STAR

Tom starred at fullback for San Diego high some years ago, and was offered a scholarship to USC but was unable to continue his education. He began an apprenticeship as a butcher and by the time Beatty was coaching at Oceanside high had opened his own market and would occasionally invite the beach squad to steak dinners.

During the past half decade, Beatty has transferred to Garden Grove high, but Tom still follows the Dons. He brings them several packs of gum each week along with a box of oranges. He even goes as far as to find jobs for some of the athletes.

900 MILE TRIP

On one occasion he traveled from New Mexico a distance of 900 miles to see Bill Cook's grid-ers perform. Many times he has come in from business trips to Nevada and Arizona. In addition he has a unique mileage record going back and forth between Santa Ana and Los Angeles where he resides.

Salisbury is married and is employed as a salesman for the W. J. Burke Concrete Construction Supply company. He has a future All-American quarterback in his 3-year-old son Bob.

SUPERSTITIOUS

Superstition plays an important part in Tom's makeup. Last season when Cook's team played the University of California freshmen at Berkeley, Salisbury made a special trip here before going north to get a handful of Municipal bowl dirt. He scattered it on the Cal grid for good luck, but to no avail. The Dons lost, 26-0.

Enrollment of 1100 Sets New Mark

Lounge Converted Into Classroom

Enrollment of more than 40 new students during the week boosted jaycee registration figures to 1100 today, a new all-time record here.

Comparative enrollment for the same time last year was 962, Registrar Mabel G. Whiting said.

The large increase in attendance has necessitated converting the Men's lounge into a classroom.

Representing 33 states, Canada, and Hawaii, divisional enrollment is listed as follows: freshmen, 578; sophomores, 338; post-graduate, 65; special students, 113.

Leading in out-of-state representation is Minnesota, which sent 11 students to Santa Ana. Idaho, Colorado, and Kansas follow with 10 students each.

Other states represented Arkansas, Arizona, Illinois, Iowa, Louisiana, Maryland, Massachusetts, Missouri, Montana, Nebraska, Nevada, New Mexico, North Carolina, North Dakota, Oklahoma, Ohio, Oregon, Pennsylvania, South Dakota, Tennessee, Texas, Utah, Washington, Wisconsin, Wyoming, Indiana, New York, and Connecticut.

Entered as second class matter November 9, 1927, at the post office at Santa Ana, California, under the act of March 3, 1879.

Improvements In Santa Ana Bowl Address System Made

Improvements in volume and tone control were completed today on the newly installed public address system at the Municipal bowl, Announcer Bob Davy stated. Davy presents football fans with line-up changes, substitutions, gains or losses on every play, and explanations of imposed penalties.

Drama Students To Attend Convention

Six members of the Delta Psi Omega, honorary drama organization, will accompany Ernest Crozier Phillips, drama instructor, to the convention of the society, to be held at San Bernardino Junior college, Oct. 19.

The students to attend the semi-annual affair with Mr. Phillips include: Dave Farrell, Clinton Roemer, Jim Lindley, Jeanette Brown, Wayne Tarvin, and Bill Carden. Section meetings, business meetings, plays, registration, and tours will be the order of the day.

First Showing Of Band Uniforms Tonight

Marching tonight for the first time this year, jaycee's band will be on display at half time with their new uniforms.

The costume colors, designed after those that the Spaniards wore in early California, are red and black. Also in new uniforms of white corduroy with red satin lining, will be the three majorettes, Dorothy Parker, Virginia Pollard, and Barbara Krueger.

Erring Frosh Face Final Reckoning

Freshmen today are faced with the predicament of what to do next Tuesday when the "day of reckoning" arrives.

Kangaroo Court will be the order of the day Tuesday when punishment will be meted out to those "freshmanus" who have trampled on sophomore dignity, and in one way or another broken customary laws which were set up at the opening of the college year.

Chosen to administer justice are Wayne Tarvin, prosecuting attorney; Bill Kamrath, chief justice; Anne Bell, Barbara Tucker, Jack Clark, Marceille Shanafelt, Wayne Piper, Laurence Dresser, Beth Kellams, Audree Willsey, Brent Wahlberg, Marvin Webb, Bob Wahlberg, and Jimmie Yamada, jurors.

Ask Volunteers For Women's Drill Unit

Asking for 18 additional volunteers to complete the drill team quota of 30, Barbara Krueger and Betty Goode, organizers of the group, are today laying plans for the teams initial appearance.

Miss Krueger indicated that the unit will probably march Nov. 2 during the game with Oceanside. Practices are to be held on Wednesdays and Thursdays. Those participating will be excused from their gym classes during the weeks when rehearsals are held.

Using an idea similar to the flashlight section of last year, members of the drill team will carry reflectors and pom-poms, Miss Krueger stated. The uniforms are white skirts and blouses.

Mrs. Bartholomew Resigns Position

After seven years of service as a member of the college office staff, Mrs. Violet Bartholomew tendered her resignation this week, Director D. K. Hammond revealed this morning.

Taking Mrs. Bartholomew's place will be Miss Georgia Snyder, '38, who will begin her duties Nov. 1. Miss Snyder has been employed at the Horton furniture store.

Getting Around

By GLENN TOWNER

Let's get around a little and see what the other boys think of the Dons. First, the Vikings, down Long Beach way. What do they think of the Scarlet and Black gridsters? Quote: "On the basis of season showing thus far, Santa Ana appears to be the class of the Eastern conference. Coached by Bill Cook, the Dons have a heavy, experienced squad, with most of the 1939 team back."

"Santa Ana pushed over Pasadena, 13-6, to stamp them as one of the outstanding teams in the southland. Pasadena, usually possessor of one of the finest teams in the state, bowed before the beefy and hard-driving Dons only after a real battle."

"Several weeks before, Santa Ana smothered an inter-conference rival, Santa Monica, 32-0, to first give warning of power."

CHAFFEY OPINIONS

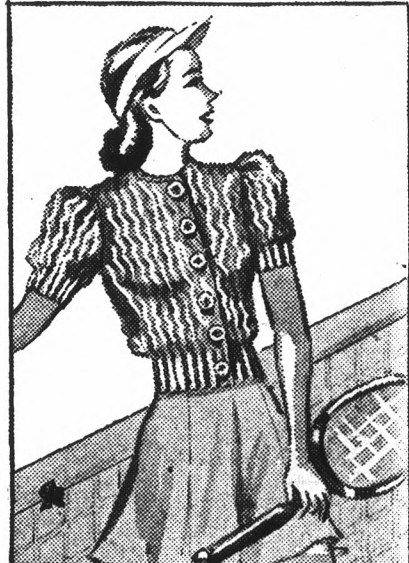

Now let's run inland and see what the Chaffey Panthers have to say. In black and white, here it is: "If any other school has any championship aspirations, it will have Santa Ana as the team to beat. Victories over the Loyola Freshmen, 13-0, Santa Monica, 32-0, and Pasadena, 13-6, prove that all these rumors about the Dons are well centered. A Chaffey student, who saw the Dons knock over Pasadena, told me (Bob Flannes, sports columnist for the Chaffey United Press, student publication) about the big, fast, concrete line and smashing backfield that Coach Bill Cook has lined up at Santa Ana. The Dons are definitely the favorites."

Up in the Los Angeles area, the Compton Junior college Tartar Shield sums up their opinion in the short, but snappy statement: "The 200 pound line average of Santa Ana was too much for the Pasadena Bulldogs, or their previous opponents."
